R. FARNHAM,

HAM, corner of 11th street and Pennsylvania avenue

corner 11th st. and Penn. av. THE TRUTH SOMETIMES NOT FOUND OUT UNTIL TOO LATE.

SUCH is often the case in regard to persons taking medicine. They are induced by plausible reasoning, false representation and doctrines, to employ medicines that, so far from being adapted to their medicines that, so far from being adapted to their disease or sickness, absolutely increase the symptoms, destroy the constitution, rack the whole system, and bring on a gradual decline, terminating in death; previous to the fatal termination, however, (but unfortunately too late,) the truth is found out that the pills, mixtures, &c. they have been taking the most powerful and depressed. were composed of the most powerful and dangerous were composed of the most powerful and dangerous ingredients, prepared too by persons knowing nothing of disease or the nature of the medicines they recomend, depending altogether upon the "general doctrine of such imposters," that their medicines will "kill or cure." Be advised, then, if you find it necessary to take some medicine for purifying the blood and cleansing the bowels, to take nothing but Dr. Leidy's justly and deservedly celebrted SARSAPARILLA BLOOD PILLS, the only pills containing Sessorarilla in the their composition—the safest and Sarsaparilla in the their composition—the safest and best as well as the most effectual that can be taken.

Old and young, at all times, without regard to weather, may take them without fear of taking cold weather, may take them without tear of taking course and without restraint from occupation or usual course of living. Upwards of 1,000 certificates have been published, various times, of their efficacy. More than 100,000 boxes have been sold in Philadelphia in twelve months. These facts go to prove their value, or so many never would be sold in so short a time, in a place where they are manufactured; this, however, the state of the property of the property of the state of the property of the state of the state of the property of the state of the s ever, arises in part from the fact that the manufac-turer of them (Dr. Leidy) is well known at home as a regular physician and apothecary, knowing the true nature of diseases and of the medicines he recommends, attested by the most celebrated physicians among whom are Dr. Nathaniel Chapman, Dr. Wm among whom are Dr. Nathaniel Chapman, Dr. Wm.
Gibson, Dr. W. E. Horner, Dr. Samuel Jackson, Dr.
Robert Hare, Dr. P. S. Physic, Dr. T. C. James, Dr.

received from the North, South, East, and West, and the most flattering accounts, from every direction, of their uxparalleled success. A single box (25 cents) may save as many dollars, if taken in time, instead of the dangerous medicines now forced on the public, and by taking which persons so often find it necessary at last to take Dr. Leidy's Blood Pills, to counteract their injurious consequences.

DYOTT'S ANTI-BILIOUS PILLS

As a family medicine, a mild, gentle purguive, and purifier of the blood—the general use of these celebrated Pills throughout the United States for forty years past, and the strong recommendations they have acquired from all classes of our fellow citizens, places them in a much more elevated situation in public estimation, than any other remedy which has he retofore been introduced.

The following are among the many diseases for which Dr. Dyott's celebrated pills are so deservedly distinguished for curing. By their counteracting properties in removing the bile from the Stomach, they prevent and cure the billous fever, chills or ague and fever; spring and fall fevers; yellow fever; billious cholic pleurisy; dysentery; worms; billous vomiting; sick and full stomach.

By cleansing the bowels and stomach from all impurities, they restore the appetite; remove flatulency; cure the headache; habitual costiveness; colds; coughs; asthma; epeliptic fits; hypochondria; hysterical complaint; stransguary; gavel, &c.

By a general and copious use, they will be found very beneficial in curing the rhueinatism and gout, lumbago or pains in the back. All impurities in the blood yield to their happy effects, whether proceeding from constitutional ailment, or from indiscreet intemperance.

These celebrated pills have been used to very great advantage in curing the dyspepsia, or indigestion, bronchitis, liver complaint, &c.

They are an infillible medicine for Female Complaints generally, and especially for removing those obstructions which are the source of their ailments at certain periods, they possess the eminent advantage over most other purgatives, that while they operate gently, they produce neither costiveness, debility, nor too great excitement.

Whenever there is a predisposition to receive disease from marsh effluvia, or from a too copious use of ardent spirits, or from a vitiated state of the bile, these pills will assuredly counteract it.

They are highly recommended to travellers by sea or land, and may be made use of

For sale at the Bookstore of R. FARNHAM, corner of 11th street and Penn. Avenue, and at the most respectable Drug Stores in the District, where, also, are for sale separately, all the sixteen Standard Preparations as contained in Dyott's Family Medicine Chest.

THIS valuable medicine is offered to the public with the confident assurance of its superior efficacy as a remedy for worms. It not only expels the worms, but prevents the return of them, by removing the weak state of the digestive organs on which their production mainly depends. It also removes the superabundant mucus or slime existing in the stomach of children in bad health, and which forms the bed or nest in which the worms produce their young. In doubtful cases, where there is a general derangement of system from want of due action in the liver and a debilitated or torpid condition of stomach and bowels, the INDIAN VERMIFUGE gives speedy relief by cleansing the stomach and bowels and strunulating the liver to healthy action—the appetite is speedily restored, and the pale and sunken countenance give place to the plumpness of face, and the ruddy hue of health.
